PEERS® Certified Provider Training for Adolescents

Course Description

The PEERS® Certified Training is designed to instruct mental health professionals, healthcare professionals and educators on the administration and implementation of the PEERS® for adolescent intervention. It provides a model for an evidence-based social skills treatment for teens in middle and high schools with ASD, ADHD, anxiety, depression and other social difficulties, particularly with respect to friendships. This intervention includes a parent component on how to run the parent portion of the intervention.

What You will Gain

- ✓ understand friendship difficulties common to youth with ASD
- ✓ familiar with PEERS research and clinical intervention
- ✓ administer PEERS intervention to parents and teens
- ✓ evaluate the success of the PEERS intervention
